SFCG TESTIMONIES

Kelli Ling, “Keep Your Love On” (Manny and Christalyn Orupabo)

There were times that I would get stuck in that “victim” mentality— blaming others for my behavior. I learned that I have the power to respond rather than react and the importance of protecting my “Yes” for what God desires. This class gave me a deeper understanding of God’s love. I recommend it for young adults and youth as it is a good foundation for all relationships!

ELLA KONNO, “Battlefield of the Mind” (Angel Fredeluces)

There is a battle waging in my mind between good and evil and it is my thoughts that determine the outcome. Godly thoughts feed my spirit. Evil thoughts feed my flesh. This class showed me how important is it to recognize the source and motive of my thoughts and why I need to pay attention to what I am thinking.

Jessica Ranit, “More Christian Apologetics”
(Bob Yee)

I was convicted and challenged to be a better student of the Bible, learn to understand it and given the tools to do that. I want to be a better witness for Christ. I encourage others to take classes.

Carol Nakata “Japanese – Level 1”
(Pastor Chizuko Peeples)

This class served as a refresher. It attuned my ears and exercised my tongue to activate the Japanese language lying dormant in me. I learned practical everyday vocabulary, and also words essential in communicating the Gospel to others especially Japanese visitors, using a relational rather than a religious approach.

Ellen Debutiaco, previous student of the Paguds' class, "God, Where Are You?!"

This class helped me to recognize the different seasons of my life and where I am now. I have a better kingdom perspective, recognizing that God is training me for what is ahead. My wilderness time was important in learning more about myself, keeping me sharp.

BATTLEFIELD OF THE MIND

(book by Joyce Meyers)

8:45 AM PRAYER ROOM ANGEL FREDELUCES

Do you find yourself ensnared with worry, doubt and negative thinking? If you do, there is a battle going on for your mind. **Your thoughts determine your actions, your words and ultimately who you are.** Today more than ever it is imperative to think right thoughts. Through her best-selling book "Battlefield of the Mind," Joyce Meyers will help you identify areas of struggle you may not even be aware of. In this class you will learn to:

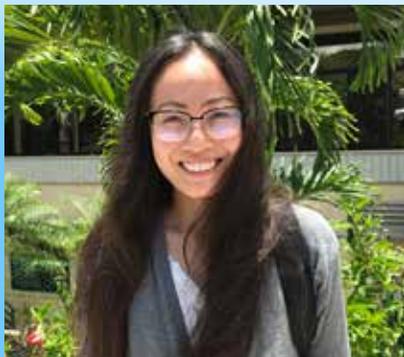

- Identify negative thinking
- Overcome destructive thought patterns
- Apply the truth of God's Word in every situation
- Live victoriously in peace and freedom
- Walk in the abundant life Jesus gave you

Join with others who desire to live victoriously by rightly understanding and applying God's Word with Spirit-led minds.

Paul Victoria, previous student of Angel Fredeluces' class, "Battlefield of the Mind"

This class helped me understand how certain strongholds in my mind had kept me from a deeper relationship with Christ. It taught me how to break free of negative thinking and have a mind which is no longer held in bondage. I learned that, through Christ, I have the power to control my thoughts and live a life that is aligned with God's purpose and plan!

Miranda Zhang, previous student of the Liows' class, "Managing God's Money"

I used to believe that I would be happier if I had more money. Ultimately, this unhealthy mindset only enslaved me into a vicious cycle of wanting more and misery. My eyes were opened to see the emptiness of what I was pursuing. I now see that money is a gift from God to be used in alignment with His plans. It is my heart's desire to pursue Him instead of money or material success.

CHANGE YOUR MINDSET, CHANGE YOUR FINANCIAL FUTURE FOREVER

10:15 AM PRAYER ROOM KORE LIOW, MD., NEUROLOGIST AND DIRECTOR, HAWAII PACIFIC NEUROSCIENCE & MICHELLE LIOW

God cares a great deal more about our money than most of us imagine. The sheer enormity of scripture's teaching on it screams for our attention. **In "Managing God's Money," Randy Alcorn simplifies what the Bible has to say about how we are to handle our money and possessions.**

Through this class you will gain solid biblical understanding of money, possessions, and eternity. A few principles covered include:

- *Ownership:* all of our money belongs to God.
- *Stewardship:* we are to be faithful managers of God's money.
- *Morality:* money is not evil; however, it can be used to expose the evil that inhabits our hearts
- *Materialism:* we are drawn toward desiring and idolizing money and possessions.
- *The Treasure Principle:* you cannot take it with you, but you can send it on ahead.

KEEP YOUR LOVE ON

(book by Danny Silk)

10:15 AM ROOM 102 EMMANUEL & CHRISTALYN ORUPABO

Keeping your love on. It's a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable. Adults and children alike thrive in a healthy relationship where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving or intimate. They are defined by anxiety, manipulation, control and conflict because most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain and fear.

"Keep Your Love On," reveals the higher, Jesus-focused standard defined by mature love - love that stays on no matter what.

In this class you will learn how to:

- Build healthy connections
- Utilize effective communication
- Set healthy boundaries

Your life will be transformed.

Li'i Felise, previous student of the Orupabo's class, "Keep Your Love On"

This class changed my entire approach to conflict. I learned that as I value others in the midst of conflict, communication and relationships improve. Beginning with valuing who I am in Christ I am no longer a victim, but a powerful overcomer. I learned to set good boundaries and am more confident in dealing with conflict. What a great class!

Lila Yeung, previous student of Bob Yee's class, "More Christian Apologetics"

What I learned in this class made me realize the importance of knowing what I believe. So many have just said the sinner's prayer, but not grown in their understanding of who Jesus is and what He did for them. Even Mormons and Muslims believe in Jesus. More Christians need to strengthen their knowledge of difficult topics so they are able to teach other Christians and stand up for the truth.

A NEW TESTAMENT SURVEY: A Window into the World of God

10:15 AM ROOM 203 BOB YEE

The mighty truth is that the glory of the Lord Jesus is present within His people. He fills our hearts and lives, and opens our eyes to grasp this in fullness so that we may see Him and trust in Him. The Lord reveals Himself to us here in such a way that our hearts long for Him and yearn for Him. Yet, it is not complete to simply yearn but to it, we must learn.

As we ponder the New Testament, the Holy Spirit reveals, and to all will fill and complete them in Christ Jesus. And if that is your desire, then this class is for you. **For there will be no greater reward in seeking then finding the truth in the World of His New Testament.**

In addition, connecting the Old Testament with the New: "The Revelation of Israel in the New Testament"

GENESIS: IN THE BEGINNING

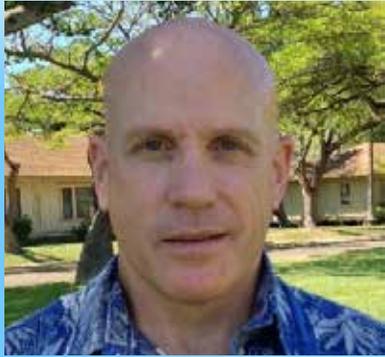

10:15 AM ROOM 202 CANDACE YEE

The book of Genesis is the book of beginnings: the beginning of the world, the creation of mankind, and the unfolding of God's plan for the ages. **When God spoke His first recorded words– “Let there be light” – the revelation of His goodness and love for mankind began.** His first creative act was to make a perfect world for Adam and Eve to live in. However, because of sin, the world that we know today is so very different from the world that God created it to be. **The foundational truth found in Genesis is the key that unlocks the understanding of the rest of the Bible. It also gives us hope as God reveals His redemptive plan for this broken world using imperfect people as part of this plan.** If you have been seeking a deeper knowledge of God's Word, what better place to start your study than at the very beginning in the book of Genesis.

Candace Yee

Welcoming back Candace Yee as a teacher in School for Christian Growth. As Vice-Principal of Christian Academy, she returns as one of our teachers having completed a Master's program in Educational Leadership

Dan Melton, previous student of Pastor Chizuko's class, "Missions Language Training: Japanese – Level I"

I worked in Japan for 14 years and continue to work closely with Japanese government officials. Having learned the language years ago this class was a good refresher. The Bible related vocabulary taught will help me share the Gospel with the Japanese government counterparts with whom I work. My wife and I are praying that God would open the doors again for us to go to Japan either long-term or on a short-term mission.

MISSIONS LANGUAGE TRAINING: JAPANESE – LEVEL I

5:00 PM ROOM 207 PASTOR CHIZUKO PEEPLES

The doors of Japan are opening wide. Has the Holy Spirit been stirring your heart for her lost? **Now is the time to reach the people of Japan. Now is the time to prepare yourself.** Language and culture can sometimes be obstacles in reaching the lost. This course will help equip you to overcome those hindrances! You will be immersed in conversational Japanese, taught key phrases so you can share the Good News of Jesus, and increase your understanding of Japanese culture and beliefs.

Become equipped and increase your passion to reach the lost Japanese people for His glory.

BUILDING A FIRM FOUNDATION IN GOD

5:00 PM PRAYER ROOM STEVE YOSHIMOTO

- Your authority and identity in Jesus Christ
- Being victorious in spiritual warfare
- Financial breakthrough

Bernadette Tebia, previous student of Steve Yoshimoto's class, "Building a Firm Foundation in God"

I had struggled to put God first in my life and allowed things to come before Him. I am amazed at the journey He took me through even when I missed the mark. Through this class, I learned to rebuild my foundation in God's Word so that I can be armed to stand strong.
